Headteacher: Mr Andrew Miller

AM/LH

8 November 2024

Dear Parents/Carers

Friday 15 November 2024 is Children in Need Day. If your child would like to attend in non-uniform on Friday they are more than welcome to – spots optional!

This year we will be undertaking three different activities across the day raising awareness of Children in Need:

- “Run Pudsey” – Mr. Leslie will be arranging a fun run during the school day where each class will get a time slot to complete their fun run. **Please make sure your child is wearing appropriate footwear for this.**
- Challenge yourself to Think! – Children in Need have developed a series of Mathematics sessions this year and are challenging children in Primary Schools to take part in them.
- The Heaviest Backpack – we will be delivering workshops supporting mental health again this year through The Heaviest Backpack. Children will consider what their “backpack” contains in terms of what weighs them down and what they can do and what support they can access to help them lighten the load. Children in Need provide resources for this workshop and Mrs. Baines will be supporting staff to deliver this.

As in previous years, we ask that any donations are made directly to Children in Need at;

<http://bbcchildreninneed.co.uk>

Yours sincerely

A. Miller
